

XEV
BORN FOR CHANGE

Kitty

Kitty is 100% electric mobility in maximum freedom.

Kitty is the purely electric propulsion quadricycle with cool lines and compact dimensions that allows you to move easily around the city.

Being a Battery Electric Vehicle (BEV), Kitty is respectful of the environment because it has no internal combustion engine and is fitted with an electric drive that transforms the energy stored in the battery into driving force.

80 km/h
Top speed

150 km
Range

ABS
Brake Assist

Unmistakable in form, streamlined and compact in traffic.

Particular lines and strongly characterizing draw the new Kitty in space.

Distinctive elements that are found in the optical groups, such as the mirrors and in the rear part.

Designed for the city, snappy and low maintenance.

With its 150 km of autonomy you can move freely in the city traffic, easily park and easily reach the destination of your travels.

What about the charging? Easy and thoughtless directly from the house power outlet or from the public charging columns. With the Kitty you can focus on the pleasure of driving and money saving. Thanks to low running costs and reduced consumption. It is an environmental and wallet friendly choice.

Only one version for maximum performance.

Worried about having to decide which set-up to choose?

Everything you need is part of the Kitty standard equipment: rear view camera, touchscreen display, top case, ABS and air conditioning.

Technical specifications

Dimensions (L×W×H)(mm)	2365 x 1400 x 1680
Wheelbase (mm)	1560
Rear/Front track	1126 /1146
Minimum height from the ground (mm)	≥135
Battery (kWh)	9.198
Battery type	Ternary lithium
Top speed (km/h)	80
Autonomy (km)	150
Weight in running order (kg)	600
Maximum negotiable slope	≥20%
Nominal Voltage (V)	73
Battery capacity (Ah)	126
Rated Motor Power (kW)	7.5
Rear Drive	Rear
Front Brakes	Disc brakes
Rear Brakes	Drum brakes
Front Suspension	McPherson
Rear Suspension	No independent
Tyre Sizes	165/55 R12
Wheel Rims	Aluminium
Type of gearbox	Direct-shift box

Vehicle Warranty 24 months/30.000 km

Battery Warranty 36 months/30.000 km
(SOH ≥ 75%)

Emergency Roadside Assistance

ACCESSORIES

- Halogen headlights
- Brake lights
- Shark fin antenna
- Rear object-holder
- 7 inch screen
- Reading light
- Sun visors
- Wireless Key
- Power steering
- Electric brake
- Eco + sport mode
- Electric windows
- Air conditioning
- TPMS (tire pressure monitoring)
- Steering lock
- Anti slope function
- ABS
- Central locking
- Fasten seat belts warning
- Rear view Camera
